NACOS WEEK 27

Brand Guidelines

Brand Overview

Nacos Week 2027 is built around the idea of Confluence - **the coming together of distinct forces to create something greater than either could achieve alone.** It brings together people, ideas, skills, experiences and different areas of technology into one shared ecosystem.

NACOS WEEK 27

Brand Personality

Innovative — Forward-thinking and technology-driven
Bold — Confident, expressive and noticeable
Modern — Clean, contemporary and digital

Logo System

A. Primary Logo:

This is the main identity and should be used whenever there is enough space for the complete logo.

Primary Uses:

Official documents
Posters
Main event graphics
Banners
Presentations
Event backdrops
Official announcements

The primary logo should always remain visually dominant and should not be altered, stretched, rotated or rearranged.

Logo System

B. Secondary Logo:

This version should be used where the primary horizontal arrangement doesn't fit comfortably.

Recommended Uses:

Square social media designs
Profile graphics
Smaller posters
Merchandise
ID cards
Digital assets

This version should be used where the primary horizontal arrangement doesn't fit comfortably.

Logo System

C. Standalone Logo:

This is especially useful because the full NACOS WEEK '27 logo will sometimes be too large or detailed for small applications.

Recommended Uses:

- T-shirts
- Caps
- Wristbands
- Stickers
- Social media avatars
- Website/app icons
- Certificates
- Name tags
- Photography watermarks
- Small promotional items
